The financial world is more complex than ever, which is why the Illinois State Treasurer's Office created the Illinois Financial Wellness Hub. The FinWell Hub is an online platform that provides free resources to all Illinois residents, making it a go-to trusted site for financial questions.

The FinWell Hub has an easy to search library of over 120 financial topics including: living in retirement, consumer protection against scams, estate planning, Social Security, and insurance. Illinoisans also have free and confidential access to Certified Personal Finance Coaches. They can schedule a virtual meeting with a coach or simply call on the telephone.

You will leave this webinar with resources for both your own financial health and to support the people you serve every day.
